

# pop shop america

A DIY WONDERLAND

## about the company

Pop Shop America is a craft, recipe, and gardening wonderland. If you are looking for joyous and creative living, this is the space for you. We're not just a blog or shop, we're a tribe of fun loving people who are creative to the core.

## our readership

Our website receives over 600,000 page views per year. The readership is primarily female ages between 20 - 40 and identify as creative. They like to try new recipes, tips, and brands. For more data on our readers, contact us!
